2 FROM THE DESK OF FR. MATT

www.stjohnglandorf.org

In the gospels there are different accounts of what happened at Jesus's resurrection the women discovering the empty tomb, Jesus showing up in the upper room when the doors were locked, and the time when the disciples went fishing and Jesus appeared to them on the shoreline and they caught a bunch of fish. These are all wonderful stories but at the top of my list of favorite resurrection stories would have to be the Road to Emmaus Story. It is one my favorite stories because it is probably one of most relatable stories to my life. Of all the resurrection stories I think I am most likely to have a Road to Emmaus experience.

If we consider the context of this story, in a short amount of time the disciples have been through a lot of trauma, that left them confused, hurt, and life just not making sense. Sometimes in our lives we can experience trauma that leaves us feeling confused, hurt, and life not making sense. These events began when they went into the garden where Jesus prayed, and Jesus got arrested. Later Jesus was condemned, crucified, died, and was buried. Our scriptures today pick up with the discovery of an empty tomb and the reports of the vision of "angels who announced that he was alive" (Luke 24:23). None of these events seems to make any sense, these two disciples walk to Emmaus trying to put all the pieces together, they are trying make sense of everything that just happened. As they journey Jesus secretly comes present to them and helps them to make sense of everything.

Like what the disciples experienced, sometimes there are things that can happen in our lives that seem to not make sense. In these moments people come present to us to help us make sense of life. It is usually in these moments that Jesus comes present to us and like the disciples that had eyes that prevented them from seeing him. Our eyes can also be prevented from not seeing Jesus in these moments too.

I often hear people say that they get distracted during Mass, I must admit that sometimes I can also get distracted when I celebrate Mass too. What distracts you? Sometimes I can be distracted by people, but mostly I get distracted by me and about what is going on in my life and in the world. In these moments of distraction, I am often searching for answers to my life or for the world. It is amid distraction that I am reminded that I need to shift my focus back on Jesus. This distraction reminds of the Road to Emmaus and the words that I often pray in the Eucharistic Prayer "Blessed indeed is your Son, present in our midst when we are gathered by his love and when, as once for the disciples, so now for us he opens the Scriptures and breaks the bread". Just as on the Road to Emmaus, Jesus came present to the disciples and opened the scriptures to them and broke bread with them. Each time we come to Mass we bring ourselves to Mass and part of bringing ourselves to Mass is we bring our lives and part of our lives is our struggles of trying to make sense of the world, trying to make sense of our live, trying to make sense of it all. Jesus opens the scriptures to us as we listen to the readings, each time the word is open for us God has a message for us. Then Christ breaks bread with us, which is his Body and Blood comes present to us in the Eucharist. Not only does Christ come present to us but Christ enters our lives we receive Christ's Body and Blood. As we share in the opening of the word and the breaking of the bread may the Lord help to make sense of what is going on in our lives and our world.

Y.E.S.—Youth Elect Service Project Donations needed

The 2023 Y.E.S. project is hosted by St. Joseph's in Fort Jennings June 1-3 and involves high school youth and adults helping those in need with painting, cleaning, and landscaping, or many other tasks that are just too difficult for our area residents to do. The ultimate goal is to spread the love of Christ and His message of Hope to those who need it most. Most of our work consists of helping private homeowners without family members nearby or unable to maintain or improve their homes. Worksites are all over the county and supplies are needed to help. All work done is at no cost to those being helped. The youth and adults are asked to contribute a fee to cover the cost of a t-shirt, food and supplies. We are asking residents, businesses and organizations to contribute as you can. If you would like to make a donation of supplies, we can always use cleaning supplies, small tools, water, soda or snacks. A monetary donation is appreciated as well to help cover the cost of mulch or larger supplies. Please contact Michelle Horstman 419-5838-6928 or e-mail at admin@glandorfstjohns.com. Checks may be payable to St. Joseph's Catholic Church - Y.E.S. and sent to PO Box 68, Ft. Jennings, OH 45844. Thank you for your support of our youth groups and this project that teaches being of service to others long term benefits for our parish communities! The rewards are eternal!
