## SNOW EMERGENCY LEVELS

Diocese of Toledo Snow Emergency Policy: Whenever a county/city within the Diocese of Toledo is placed under a Level 3 Snow Emergency, during which all roadways are closed to non-emergency personnel, the Catholic Churches within that geographic region will cancel the scheduled Saturday Vigil, Sunday, or Holy Day Masses. Roman Catholics in that region, therefore, are dispensed from the obligation to attend Mass. If Masses are cancelled, Catholics are encouraged to participate in Holy Mass via television, radio, or internet, making a spiritual Communion. If Putnam County is ever under a Level 3 Snow Emergency the regular Mass times will be canceled here at St. John's. There will be a Mass at Noon, if you can get here safely you are welcome. If not, we encourage you to watch it on cable channel 3 or on our Youtube page. Level 1 and 2 snow emergencies, come if you can get here safely. If Ottawa-Glandorf Schools cancel youth activities, St. John's youth activities will also be cancelled.

# 2 FROM THE DESK OF FATHER MATT

[www.stjohnglandorf.org](http://www.stjohnglandorf.org)

A memory of Lent that I have growing up is when I was late elementary-middle school age my parents took me to see what I called at the time a 'Jesus Play' in Ft. Wayne. That was probably the first time that I ever heard the story of Jesus from beginning of his public ministry of working miracles and teaching. I remember during the multiplication of loaves scene; they passed around bread for the audience to eat. The play obviously led up to Jesus's crucifixion, resurrection, and ascension where Jesus was lifted up into the ceiling on ropes of some sort.

One scene from the play that stands out in my mind is this scene that we hear in our scriptures today were Jesus got tempted by Satan. I remember in this scene Satan appeared the way you expected him to dress in a dark black robe, face painted red with black streaks, and a pitchfork in hand. Satan when he tempted Jesus during this scene it was scary. Even at the end of the play when audience customarily greets the cast, no body really gave any attention to the actor that played the role Satan, I think it was because he looked that scary.

Nearly twenty-five years later, this scene has left its lasting mark on my mind, and I have often thought that if Satan always appeared that scary like he did in that play no one would ever sin. I mean why would you ever give into something that is scary except maybe for the thrill like in the fall when you go to a Haunted House. But I do not know what thrill there is in sin. If I have this thought, I think Satan would also know this and Satan is a fierce competitor and is not going to give up easily. Satan is going to disguise himself, to try and make himself not look so scary, to try and trick us so that we sin. Not only is Satan going to do this, but Satan also has a history of doing this. We have evidence of this happening in our scriptures today in the Garden. Now our scriptures today tell us nothing about what the serpent looked like. But we know what the serpent said to the woman "You certainly will not die! No, God knows well that the moment you eat of it you will be like gods who know what is good and what is evil" (Genesis 3:4-5). Serpent used words to trick the woman. The rest is history from there the woman takes fruit from the tree gives some to husband and they both eat it. This is the first-time human beings were tricked into going against God's instruction, fell into Satan's trap, but not the last time. The scriptures are filled with countless examples of people falling into Satan's trap of sin, not following God's instruction. Not only are the scriptures filled with examples, but our world is also filled with examples people falling into the temptation of sin, not following God's instruction down to that person that we look at in the mirror. We have all fallen into Satan's trap of sin, we are all sinners, we have all disobeyed God. But we also have a God that acquits, forgives us of our sin, a God who does not wants us to stay in our sin.

Lent is a time for us to reflect on those traps that Satan set for us that we have fallen into, a time reflect on where we are not following our God's instruction, and with the help of the Lord to get out of those traps. But it is also a time for us to become more aware of God's instruction and we can better follow that instruction. Lent is about preparing for baptism where at Easter we anticipate celebrating Christ risen from the dead. Where our Catechumens anticipate being washed clean of sin and us who are members renewing our baptismal promises. Reminding ourselves that Christ has come to save us from our sin.

## What is - Lectio Divina Divine Reading - Praying with Scripture

Matthew Leonard, from the book Prayer Works.  
"Because the Bible is the story of how we are saved it is an essential part of our dialogue with God. Lectio Divina is important because it leads to an "encounter with Christ, the living Word of God." Far from mere reading, it's an engagement with divinity."
