**THE ASSUMPTION OF THE BLESSED VIRGIN MARY**

Today we celebrate the Assumption of the Blessed Virgin Mary into heaven. Mary went into heaven body and soul. Jesus' Body and Mary's body are the only bodies in heaven. You will not find the body of the Blessed Virgin Mary buried anywhere on earth because she is in heaven. This is our Catholic belief. The Blessed Virgin Mary holds a special place in our hearts. She will intercede for you and I if we ask. Her prayers are very powerful. As Catholics, we do not worship Mary. We only worship God. Mary can only pray for you and me. To worship means to offer sacrifice.

We only offer Jesus' Body and Blood on our altar at Mass. We do not offer the body and blood of Mary at the Mass. (continued on next column)

Think of the times when a loved one was sick or dying. We can offer our own made up prayers for that person who is sick or dying and that should be done. But you can only think of so many words when making up your own prayers. That is why God gave the rosary to humanity in the 1200's. God and Mary gave the rosary to St. Dominic so that he would propagate this devotion throughout the whole world. Each time I pray the rosary, my life changes for the better. There is power in that rosary. Keep praying that rosary this year. The rosary saves marriages when married couples pray it. The rosary restores one's health. The rosary can make you holier. It is God who works through the rosary. Don't leave home without it. Get ready for school it is right around the corner. God bless you all. Fr. Tony

**I would like to thank everyone for their good wishes and gifts for my 61<sup>st</sup> jubilee. Thank you to the parish for having the Mass and allowing me to have a celebration at the parish center. I'm very blessed and grateful for such a beautiful celebration.
