St. John the Baptist Catholic Preschool in Glandorf is a unique preschool program. Licensed by the Ohio Department of Job and Family Services (ODJFS), not only does the preschool offer a kindergarten readiness curriculum, but the curriculum is also faith based, sharing the beliefs of the Catholic Church.

Young children at St. John the Baptist Catholic Preschool have the opportunity to explore, create and learn through play and structured activities, developmentally appropriate for active learners. Classes are age group based (pre-kindergarten classes and ¾ year old classes) to differentiate learning opportunities for young children of similar ages.

Please take a look inside this pamphlet. You will find background information about the teaching staff and a sample of our "Yearly Curriculum at a Glance." The academic curriculum is kindergarten prep, focusing on Early Learning and Development Standards set by the Ohio Department of Education. The Catholic faith education focuses on a wide range of themes and the rich beliefs of the faith. All these faith teachings come alive for the children with visits to the church, time in the Atrium/ Faith Room, and daily prayer!
