Preschool Classes/Sessions

***Please label a first (“1”) and second (“2”) choice for the class you wish to enroll your child into at the time of registration. Due to class ratios set by the Ohio Department of Job and Family Services, we cannot guarantee availability for the class of your first choice, but will do our best to accommodate preferences. Final class sessions are offered dependent on total enrollment numbers for each age group.

***Preschool classes are separately age grouped as **Pre-K** (children ages 4-5 who will likely attend kindergarten the following year or have summer birthdays and want two years of pre-K) and **3-4 year olds**. Depending on enrollment numbers, it is possible (but not typical) for there to be a mixed age group classroom. Teachers and class sizes will be determined following registration, prior to the start of the school year. Families will receive information about their child’s teacher and classroom prior to Open House.
